PAUL BOYKO OWNER OF VISIONS OF CANADA

October 27, 2004

Today by introduction from Jim Merriman, I had the great pleasure of meeting and presenting to Mr. Paul Boyko owner of Visions of Canada in Windsor Ontario my latest solo CD "PUT CHRIST BACK INTO CHRISTMAS".

Jim suggested that I meet Mr. Boyko after voicing some concerns regarding a vision issue. Within just a few minutes of conversation, it was uncanny how Mr. Boyko picked up on my concerns and he took the time from his busy schedule to explained in detail how today's new high tech eyeglass lenses can greatly improve one's ability to see.

I was very encouraged and impressed with his professional knowledge and personal concern. I look forward to meeting with Mr. Bokyo again in the near future.
